### Question Asked (2)

1. fix this to Allow Contributors to Upload Images

```
<code>if ( current_user_can('contributor') && !current_user_can('upload_files') )  
    add_action('admin_init', 'allow_contributor_uploads');    function allow_contributor_uploads()  
{    $contributor = get_role('contributor');    $contributor->add_cap('upload_files');    }</code>
```

2. fix this gif
